Springdale Treatment Center is pleased to host a Recovery Fair and Addiction Art show highlighting substance abuse, addiction and recovery in Northwest Arkansas. The purpose of the fair and art exhibit is give insights into the human experience of addiction, spark dialogs, teach, and change perceptions. We also want to celebrate and share information about different agencies, nonprofits, coalitions and other groups who advocate and serve those in the NWA community who struggle from the effects of addiction.

You are invited to come and engage with the community, appreciate artists and collaborate with us!

There will be snacks and beverages offered as well.

If you are an agency, non-profit or organization: We would love to have all addiction resources come and set up a booth to share information on how they serve the community in the areas of prevention, recovery and mental health. We are hoping to get all of NWA involved! If you are interested in being a part of the Recovery Fair you may register online at www.arkansasarc.com

If you are a local artist: Artists must live or work within Northwest Arkansas. Artwork may be any size and completed in any year and the artist will need to supply their own easel or other display case, table, chair, and sun shade.

Entry: Artists may bring up to 3 artworks to show and enter in the contest.. Label each image with your name and the title of the work, along with a brief description of the art piece and how it is related to the subject of addition or recovery from addiction.
